Instructions for Recipient Committee Campaign Statement – Cover Page

CALIFORNIA FORM **460**

Period Covered by a Statement:

The "period covered" by a campaign statement begins the day after the closing date of the last campaign statement you filed. For example, if the closing date of the last statement was September 30, the beginning date of the next statement will be October 1.

If this is the committee's first campaign statement, begin with January 1 of the current calendar year.

The closing date of the statement depends on the type of statement you are filing.

Date of Election:

If you are filing this statement as a preelection statement in connection with an election, enter the date of the election.

Type of Recipient Committee:

Check one box to indicate the type of committee filing the statement. General descriptions are provided on the cover sheet to this form, or contact your filing officer or the FPPC for assistance. Following are some additional guidelines:

Controlled Committee

- A controlled committee is one that is controlled by a candidate, officeholder or, in the case of a state ballot measure committee, by the proponent of the measure. A committee is "controlled" if the candidate, officeholder, or proponent, his or her agent, or any other committee he or she controls, has a significant influence on the actions or decisions of the committee.

Sponsored Committees

- A sponsored committee is one that has a sponsor—a business entity, organization, union, or other entity—that meets certain criteria. Sponsored ballot measure committees and general purpose committees must include the name of the sponsor in the name of the committee.

Small Contributor Committees

- This term is significant only if the committee makes contributions to candidates running for elective state office.

Type of Statement:

Check the appropriate box(es) to indicate the type of statement you are filing (or amending).

Amendments: If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment and list the schedules being amended. Include an amended summary page, if applicable. Be sure to enter the period covered of the statement you are amending.

Termination: A committee must continue filing campaign statements each year until it is eligible to terminate and files a Form 410 Termination. Most officeholders must continue filing campaign statements until they have terminated all controlled committees and have left office.

Committee I.D. Number:

If the committee has not yet received an identification number from the Secretary of State, enter "Not Yet Received." File Form 410 to obtain an I.D. Number.

Verification:

The statement must be signed by the committee treasurer or the assistant treasurer named on the committee's Statement of Organization (Form 410). An officeholder, candidate, or state measure proponent who controls the committee must also sign the statement. If two or three officeholders, candidates, or proponents control the committee, each must sign the statement. If more than three control the committee, one may sign on behalf of the others.

Under certain circumstances, the responsible officer of a sponsoring organization must sign the statement.

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for information about:

- When, where, and what type of statements the committee is required to file.
- Closing date of campaign statements.
- Sponsored committee criteria.
- Termination criteria.
- Recordkeeping requirements and prohibitions.

Instructions for Recipient Committee Campaign Statement – Cover Page

CALIFORNIA FORM **460**

Officeholder or Candidate Controlled Committee:

Candidates must have a separate bank account and committee to run for different elective offices. A candidate who is required to file campaign statements in connection with more than one elective office but is only receiving contributions and making expenditures for one of the offices, may include both offices on one Form 460. In Part 5 of the cover page, enter the candidate's name and under "Office Sought or Held," identify each office, and state whether the candidate is seeking or holding the office. The Form 460 must be filed with the appropriate filing officer(s) for each office.

For example, a city councilmember is raising funds to run for the county board of supervisors. She has no committee and is not raising or spending funds in connection with the city office, and has formed a controlled committee for the county office. To comply with the requirements to file campaign statements for both her city office and her county candidacy, she may complete one Form 460 each campaign reporting period, which she will file with the city clerk and the county elections department. In Part 5 of the Form 460 Cover Page, under "Office Sought or Held," she will state that she is holding the office of city councilmember (including the name of the city) and that she is seeking a seat on the board of supervisors (including the name of the county).

Ballot Measure Committee:

Part 6 of the Form 460 Cover Page must be completed by committees that are primarily formed to support or oppose the qualification or passage of a single ballot measure or two or more measures being voted on in the same city, county, multicounty, or state election. A "general purpose" ballot measure committee (one that supports or opposes a variety of state and/or local ballot measures) is not required to complete Part 6.

Instructions for Summary Page Campaign Disclosure Statement

CALIFORNIA FORM **460**

The Summary Page provides an overview of the committee's financial activities and is completed for each filing.

Column A reflects activities during the current reporting period as reported on Schedules A through H. It is not necessary to attach a blank schedule if there has been no reportable activity during the period, but it is necessary to enter a zero or the word "none" on the appropriate line in Column A of the Summary Page.

Column B figures should reflect the cumulative total since January 1 of the current calendar year.* Add the totals from Column B of the committee's last campaign statement (if any) to the corresponding amounts in Column A. If this is the first report being filed for a calendar year, only carry forward the amounts reported on Lines 2, 7, and 9 of Column B (if any) from the committee's last statement. (Note: The amounts reported on Lines 2, 7, and 9 of Column B should be the same as the total outstanding amounts disclosed in column (d) of Schedules B, F, and H, respectively, of the current report.)

When loans (Schedules B and H) and accrued expenses (Schedule F) are paid, the figures to be carried from the schedules to Lines 2, 7, and 9 of Column A may be negative numbers. In this case, be sure to show them as negative figures on the Summary Page (e.g., with a minus sign (-) or in parentheses), and subtract them when totaling Columns A and B.

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities. Consult the FPPC Campaign Disclosure Manual for your type of committee for additional information.

Current Cash Statement:

Lines 12-16 of the Summary Page should accurately reflect your current cash position. Beginning and ending cash balances should include the total amount of funds in your campaign checking and savings accounts, plus any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks and bonds, etc. (Officeholders and candidates are subject to bank account restrictions, and all committees should read the FPPC Campaign Disclosure Manual regarding appropriate uses of campaign funds.)

Line 12 (Beginning Cash Balance) must be the same as the ending cash balance reported on Line 16 of your previous statement's Summary Page. If this is your first campaign statement, enter zero on Line 12.

Line 16 (Ending Cash Balance) is the total of Lines 12, 13, and 14, **minus** Line 15.

If you are filing a termination statement, Line 16 must be zero.

Cash Equivalents:

"Cash equivalents" include investments that cannot be readily converted to cash, as well as the balance due on all outstanding loans the committee has made to others (from Line 7 of Column B of the Summary Page). Investments that can be readily converted to cash, such as certificates of deposit or money market funds, should be included in the cash on hand figures on Lines 12 and 16 of the Summary Page.

Summary for Primary and General Elections (Lines 20 and 21):

This section is only for committees that are:

- Controlled by a candidate who is being voted on in both the state primary and general elections (does not apply to controlled ballot measure committees); or
- Primarily formed to support or oppose candidates being voted on in both the state primary and general elections.

Complete this summary on the preelection and semi-annual statements for the general election, covering periods during the last six months of the year (July 1-December 31).

Expenditure Ceiling Summary for State Candidates (Line 22):

Candidates for elective state office who have accepted the voluntary expenditure ceiling for a particular election must disclose the total amount of expenditures made through the end of the reporting period that are subject to the expenditure ceiling for the election. Report the date of the election and total amount expended for that election. Report totals for the primary and general elections separately. This information is no longer required if the expenditure ceiling has been lifted. (See FPPC Campaign Disclosure Manual 1.)

Instructions for Schedule A Monetary Contributions Received

CALIFORNIA FORM **460**

Report monetary contributions (except loans) received during the reporting period on Schedule A. Also report on Schedule A if a contributor forgives a loan for you or a third party pays a loan for you. Loans received during the period are reported on Schedule B. Certain transfers between a state candidate's controlled committees are also disclosed on Schedule A. (See FPPC Campaign Disclosure Manual 1.)

If a total of $100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year.* Include monetary and nonmonetary contributions and loans when reporting the cumulative amount.

Contributions totaling less than $100 received from a single contributor during a calendar year are reported as a lump sum on Line 2 of the Schedule A Summary.

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities. (See the FPPC Campaign Disclosure Manuals for candidates and ballot measure committees.)

Date Received:

A monetary contribution has been received when the candidate or committee, or an agent of the candidate or committee, receives or obtains control of the check or other negotiable instrument. There are special rules for reporting the date contributions are received by a committee that collects contributions through employee payroll deductions or membership dues.

Contributor Codes:

For each itemized contributor, check the applicable contributor code:

IND--contributions from any individual's personal funds.

COM--contributions from other committees that receive contributions. These committees will have an identification number assigned by the Secretary of State. Examples: political action committees, other candidates' committees. (State committees should use PTY or SCC when appropriate.)

OTH--business entities and other contributors.

PTY--contributions from political parties (including state and county central committees).

SCC--contributions from small contributor committees (applicable only to state candidates and committees).

Contributions from Individuals:

When itemizing a contribution from an individual, also disclose the contributor's occupation and the name of his or her employer. If the contributor is self-employed, provide the name of his or her business. If the contributor is not employed, enter "none."

It is not necessary to enter occupation and employer information for other types of contributors (such as business entities).

Missing Contributor Information: A contribution of $100 or more must be returned to the contributor within 60 days if the recipient does not obtain the contributor's address, occupation and employer.

Contributions from Committees:

When itemizing a contribution from another recipient committee, disclose the identification number assigned to that committee by the Secretary of State in addition to its name and address. If no ID number has been assigned, provide the name and address of that committee's treasurer.

Intermediaries:

If you receive a contribution through an intermediary (i.e., you have received a contribution check from a person other than the true source of the funds), disclose all of the required information for both the intermediary and the actual contributor.

Per Election to Date:

Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about aggregating monetary and nonmonetary contributions, recordkeeping, prohibitions on cash contributions, returning contributions, and more.
