Statement of Organization Recipient Committee

CALIFORNIA FORM 410

When to File

File the Form 410 within 10 days of receiving \$1,000 in contributions. See 24-hour reporting if the committee qualifies 16 days before an election. The date the form is postmarked is the date it is considered filed.

The "date qualified" as a committee is the date that the committee received contributions totaling \$1,000 or more during a calendar year. If a Form 410 is filed prior to receipt of \$1,000 in contributions, check the box "Not yet qualified." Once the committee qualifies, file an amended Form 410 to report the date qualified.

Identification Number

Complete all sections applicable to your committee. Failure to provide all required information will result in rejection of the Form 410 and may put you in violation of the Act. After filing the Form 410, access the committee's ID number at www.sos.ca.gov.

Where to File

All Committees: Original and one copy
Secretary of State
Political Reform Division
1500 11th Street, Rm 495
Sacramento, CA 95814

County & City

Committees: Also file a copy with local filing officer who will receive the original campaign statements

Terminating

File statements until the termination rules are met and the Form 410 Termination is filed.

Amendments

When information contained in the committee's Statement of Organization changes, file an amendment within 10 days of the change with the Secretary of State and local filing officer (if applicable). During the period 16 days before an election, file an amendment within 24 hours as described below.

24-Hour Reporting

In addition to the 10 day rule to file an original Form 410:

- a recipient committee that qualifies during the 16 days prior to an election in which it must file pre-election statements must file a Form 410 by fax, guaranteed overnight delivery, or personal delivery within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements.
- a recipient committee that qualifies during the 16 days prior to an election in which the committee makes independent expenditures of \$1,000 or more to support or oppose a candidate in that election must file the Form 410 within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements and with the filing officer(s) for the candidate(s) supported or opposed by the independent expenditure. These filings must be made by fax, guaranteed overnight delivery, personal delivery or online (if online filing is available).
- if, during the 16 days prior to an election when a committee is required to file pre-election statements, a change occurs in the name of the committee, the treasurer or other principal officers, or the controlling candidate, an

amendment must be filed with the filing officer receiving the committee's original campaign statements within 24 hours of the change. The amendment must be sent by fax, online transmission, guaranteed overnight delivery, or personal delivery.

Recipient Committee Definition

A recipient committee is any individual (including an officeholder or a candidate), group of individuals, organization, or any other entity that receives contributions totaling \$1,000 or more during a calendar year. The term "contribution" includes monetary payments, loans and non-monetary goods and services received or made for a political purpose.

Candidates: The personal funds of a candidate or officeholder used in connection with seeking or holding elective office are contributions and are counted toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet are not counted toward the \$1,000 threshold.

This form was prepared by the Fair Political Practices Commission (FPPC). For information on Political Reform Act (Act) requirements and the Information Practices Act of 1977, see the FPPC [Campaign Disclosure Manual](#) for your type of committee. Campaign filing deadlines, forms, and other informational materials are available on the FPPC website (www.fppc.ca.gov).

Instructions for Statement of Organization

Statement Type:

Initial

The "date qualified" as a committee is the date that the committee received contributions totaling \$1,000 or more during a calendar year.

Amendment

If any of the information reported on an initial statement of organization changes:

- Mark the amendment box;
- Include the committee's ID number and name;
- Provide the changed information; and
- Complete the verification.

Candidates:

Under certain circumstances, a candidate for local office may amend the Form 410 to indicate that he or she is seeking another term of the same office (re-election). A candidate for state office must open a separate committee for each term of office and may not amend the Form 410 to redesignate an election committee.

Termination

List the committee's identification number and indicate the date of termination.

1. Committee Information:

Provide the full name of the committee. A committee may use only one name.

The committee's street address must be reported. A post office box is not acceptable. The committee's mailing address must also be reported if it is different from the committee's street address. A post office box is acceptable for the mailing address. A committee's "domicile" is its address as listed on the Form 410. Los Angeles is the county of domicile for committees located outside California.

Committee Name Requirements

The following committee name rules apply to the Form 410, the committee's campaign statements and to any other references to the committee required by law. See the instructions for Part 4 for committee definitions.

Candidate Controlled Committees (including ballot measure committees):

Any committee that is controlled by a state or local candidate or officeholder must include the last name of the candidate in the name of the committee. In addition, the following rules also apply:

- An **election committee** controlled by one or more state or local candidates must also include the office the candidate(s) is seeking and the year of the election (e.g., Friends of Smith for Assembly 2010, Jones for Council 2010).
- An **officeholder committee** set up by a state officeholder must also include the office held, the year the officeholder was elected to the current term of office, and the words "Officeholder Account," as part of the committee name (e.g., Anderson Assembly 2010 Officeholder Account).

- A **legal defense fund** set up by a state or local candidate or officeholder must also include the words "Legal Defense Fund" as part of the committee name (e.g., Senator Smith Legal Defense Fund).
- A **ballot measure committee** controlled by one or more state candidates must also state that it is a ballot measure committee (e.g., Senator Lee's Ballot Measure Committee). See additional requirements for primarily formed committees.

Sponsored Committees: A sponsored committee (including most political action committees) must include the full name of its sponsor in the name of the committee. If the committee has more than one sponsor and the sponsors are members of an industry or other identifiable group, include a term identifying that industry or group.

Primarily Formed Committees

Ballot Measures: The name of each committee primarily formed to support or oppose a ballot measure must include:

- A statement identifying whether it supports or opposes the ballot measure(s) (e.g., Committee For Proposition/Measure ___ or Committee Against Proposition/Measure ___).
- The name must include the economic or other special interests of its major donors of \$50,000 or more, in descending order based on the amount contributed to the committee. The list of these economic or special interests may not be interspersed with constituencies such as "concerned citizens, or consumers."
- The name of any state or local candidate that contributes \$50,000 or more.
- Prior to the designation of the ballot measure number, a primarily formed ballot measure committee controlled by a state candidate must also state that it is a ballot measure committee (e.g., Senator Gomez's Ballot Measure Committee).

Recalls: Each committee established for a recall election must include the name of the officeholder subject to the recall. If the committee is not controlled by the officeholder, the committee must state its support or opposition (e.g., Committee Opposing the Recall of Council Member Doe).

Supporting or Opposing a Candidate: The name of each committee primarily formed to support or oppose a state or local candidate(s) being voted on in a single election, other than a recall election, must include the name of each candidate, the office sought, the year of the election and must state whether the committee supports or opposes the candidate(s) (e.g., Committee to Support Doe for Senate 2010).
