City of Cotati

Planning, Building, and Engineering Fees, Effective December 12, 2011 (Resolution No. 11-67)

Building Fees Changed, Effective April 23, 2011 (Resolution No. 11-07)

**SPECIAL DEPOSITS OR  
REFUNDS**

**SPECIAL DEPOSITS FOR LARGE  
AND/OR UNUSUAL  
DEVELOPMENT PROPOSALS**

As a substitute for the fees included in this fee schedule, the City Manager is authorized to enter into Cost Recovery Agreements with applicants submitting large and/or unusual proposals which may require considerably more staff time or consultant costs. The basis for the cost recovery shall be 100% recovery of the City's actual costs for responding to the proposal, including the City's overhead cost factor.

**REFUND OF FEES**

A refund of fees may be requested in writing upon project cancellation or withdrawal. Staff time expended on the project and the City's overhead cost factor will be deducted from the collected amount prior to refund.

City of Cotati

Planning, Building, and Engineering Fees, Effective December 12, 2011 (Resolution No. 11-67)

Building Fees Changed, Effective April 23, 2011 (Resolution No. 11-07)

6. For use of outside consultants for plan review and inspections or both \_\_\_\_\_ Actual Cost \*
7. Additional plan review and field inspections required by State Mandated Laws (Title-24 Energy Conservation, Accessibility, Green Building Standards) 10% of the Building Permit Fee.
8. Strong Motion Instrumental fee (CSIF), see attached fee table.
9. Technology Fee. The fee is paid with the building permit fee. The fee is for the purpose of cost recovery for specialized license fees, maintenance of computer hardware, and computer software that are instrumental in the City's ability to provide efficient service and maintain accurate records. \$4.00 minimum  

Construction valuation \$1.00 up to and including \$100,000.00, fee is .0010 (x) times the construction valuation with a \$4.00 minimum per permit.

Construction valuation \$100,001.00 up to and including \$500,000, fee is .0008 (x) times the construction valuation (minimum fee of \$70)

Construction valuation \$500,001.00 and above, fee is .0006 (x) times the construction valuation with a maximum fee of \$500.00, minimum fee of \$300 for any single project.
10. Demolition permits, use valuation for building and plan review fees. (Minimum fee - \$75.00) Demolition permits shall be calculated using the Construction Fees Table 1-A, except that a deposit in the amount of 50% of the permit fee of said demolition project shall be collected to ensure performance of work contemplated. If any permit expires as outlined in the California Building Code, before work is completed, the deposit shall be forfeited and the City may cause any unfinished work to be completed at the property owners expense or any other remedy prescribed by law.
11. Swimming pools, spas, and hot tubs, use valuation for building and plan review fees. (Minimum fee - \$75.00)
12. Green Building Fees are determined by the State assessed at the rate of four dollars (\$4.00) per one hundred thousand dollars (\$100,000) in valuation, with the appropriate fractions thereof, but not less than

City of Cotati

Planning, Building, and Engineering Fees, Effective December 12, 2011 (Resolution No. 11-67)

Building Fees Changed, Effective April 23, 2011 (Resolution No. 11-07)

one dollar (\$1.00). "Appropriate fractions thereof" is interpreted to be \$1.00 dollar per every twenty-five thousand (\$25,000) in valuation.

13. Renewal of the original permit which has expired, been canceled or  
finalled. \$75 Per Hour of estimated inspection item

\* Or the total hourly cost to the jurisdiction, whichever is the greater. The cost shall include supervision, overhead, equipment, hourly wages and fringe benefits of the employee involved. Fully burdened rate plus supervision, equipment and administrative and overhead costs and shall include any costs for the use of consultants employed by the jurisdiction.
